POSTAGE STAMPS, &c.

Stamps may be procured at the General Office, Market Street, and the several Receiving-Houses.

The Penny Labels,	at 1d. each.
The Twopenny Labels,	at 2d. „
The Tenpenny Labels,	at 10d. „
The Shilling Labels,	at 1s. „
The Penny Envelopes,	24 for 2s. 3d., or 2 for 2½d.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery.

Stamps may be used for Foreign, Colonial, and Ship Letters, *outwards*. Letters for *parts abroad* posted with Stamps of less value than the full amount of Postage, if addressed to places to which prepayment is not compulsory, will be forwarded, charged with only such amount of Postage as shall be equal to the difference between the value of the Stamps and the proper rate of Postage; but letters addressed to *places abroad*, to which prepayment is compulsory, if posted with Stamps of less value than the full amount of Postage, will be sent to the Dead-Letter Office, to be returned, in all practicable cases, to the writer. Stamps are not permitted to be used on Letters arriving in the United Kingdom from the Colonies or Foreign Countries.

These Regulations are applicable to Newspapers, in those cases where they are liable to Postage.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

Letters to Warm Climates should be sealed with wafers, as wax destroys the letters by melting, causing them to adhere to one another.

No Letter, when once posted, can be given up to any but the person to whom it is addressed, neither is any person allowed to alter the address of a letter after being posted.

Adhesive Stamps should be placed on the right-hand corner of the upper side of the letters, above the superscription. The most effectual plan is to dip the label wholly in water, to shake off the water immediately, and to press the label upon the letter with a piece of clean blotting paper. *When the gum is dull in appearance, it will require rather more time and moisture to make it stick firmly, than when it is glossy.* The purpose of wetting the label wholly is to counteract the tendency it has to curl up from the letter, when one side only is wetted, a tendency caused by the expansion of that side as it imbibes the moisture.

PREPAID RATES OF POSTAGE.

Letters not exceeding Half an Ounce in weight, 1d.; One Ounce, 2d.; Two Ounces, 4d.; Three Ounces, 6d., and so on, two rates being added for every ounce.

Inland letters or Packets put *unpaid* into the letter boxes, are charged double the prepaid rates of postage. Letters *insufficiently* stamped are charged with *double* the amount of the difference between the stamps affixed and the prepaid rates.

LIMITATION OF WEIGHT.

A letter to pass *unpaid* by the post may not exceed *Four Ounces*. All above that weight must be prepaid in Stamps. In the event of any *unpaid* letter above the weight of four ounces being posted, it will be charged with *double* the *prepaid* rates of postage; if *insufficiently paid*, by affixed stamps, it will be charged with *double* the amount of the difference between the stamps affixed and the prepaid rates, and thus charged, "shall and may be detained and opened, and, at the option of the Postmaster-General, shall be either returned or given up to the sender thereof, or be given up to the person to whom it shall be addressed, or be forwarded to the place of its destination."—*Treasury Warrant*, 22d October, 1847.

LIMITATION OF SIZE.

A letter to pass by the post, either *paid* or *unpaid*, must not exceed the dimensions of *twenty-four inches* in length, or breadth, or width, or depth. Any letter above these dimensions, may if *fully paid* be *detained* and *opened*, or forwarded at the option of the Postmaster-General. Any letter *unpaid*, or *insufficiently*, will be taxed precisely after the scale of charge mentioned in the preceding paragraph, as applicable to unpaid letters exceeding four ounces weight, and thus charged, be either *detained* and *opened*, and returned to the sender, or forwarded at the option of the Postmaster-General. The only exceptions to the foregoing regulations as to size and weight are in the case of—1. Parliamentary proceedings or Addresses to Her Majesty. 2. Petitions to either Houses of Parliament, forwarded to any Member of such House. 3. Printed votes or proceedings of Parliament. 4. Letters or packets to or from public departments or public officers in Her Majesty's service. 5. Letters, &c., to or from places abroad.

All persons sending letters by the post *unpaid*, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a Magistrate.

Printed votes and proceedings in Parliament are charged at the following rate, between places in the United Kingdom, and between the United Kingdom and the Colonies, when conveyed by packet :—

Not exceeding 4 ounces,	1d.
Exceeding 4 ounces, and not exceeding 8 ounces,	2d.
Exceeding 8 ounces, and not exceeding 12 ounces,	3d.
And so on in proportion. Prepayment optional.	

SERVICE OF PARLIAMENTARY NOTICES.—These Notices may be sent through the Post, provided they are posted on or before the 12th of December, at the chief offices of London, Dublin, and Edinburgh, or any of the following offices :—Birmingham, Bristol, Exeter, Lincoln, Liverpool, Leeds, Manchester, Newcastle-upon-Tyne, Norwich, Shrewsbury, Glasgow, Aberdeen, Inverness, Belfast, Cork, and Athlone. The words, "Parliamentary Notice," must be legibly printed on the face of the letter, the postage must be prepaid by means of Stamps, and a Registration Fee of 6d (which must be paid in money) at the time of posting, which may be known by applying to the above offices. Duplicate Lists of the Addresses must be sent with the Notices, which must be arranged in the same order as entered on the lists.

Letters of Soldiers and Sailors (except on letters addressed to the United States, which are charged 3½d.) remain unaltered, their privilege being restricted to half an ounce in weight.

INLAND BOOK POST.

The following facilities are afforded for the transmission of Books, &c., through the Post, within the United Kingdom. A Book Packet may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum or Parchment, (to the exclusion of Letters whether sealed or open), and the Books, Maps, Paper, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate Binding, Mounting, or covering of the same, or of a portion thereof, will be allowed, whether such Binding, &c., be loose or attached; as also Rollers, in the case of Prints; Markers, (whether of Paper or otherwise) in the case of Books; and in short, whatever is necessary for the safe transmission of Literary or Artistic matter, or usually appertains thereto. The following are the additional regulations respecting the Inland Book Postage all remaining notices regarding it being cancelled.

RATES OF BOOK POSTAGE.

For each Packet not exceeding one pound in weight, 6d; exceeding one pound and not exceeding two pounds, 1s.; exceeding two pounds, and not exceeding three, 1s. 6d., and so on; 6d., being charged for every complete pound, and for any additional fraction of a pound, the postage must be pre-paid in full, by affixing the proper stamps outside; every packet must be sent either without a cover, or in a cover open at the ends or sides, it must not contain any letter, open or sealed, or any sealed enclosure whatever. No Packet must exceed two feet in length. The Book Post to which the foregoing rules relate, is confined to the United Kingdom and does not effect the privileges allowed to votes and proceedings in Parliament, or to Newspapers. The Postmaster who receives a Book packet, whether directly or from a Sub-Postmaster or Town Receiver, must open and examine it to see that the conditions on which Book Packets are allowed are complied with. If he find any letter, whether sealed or open, or sealed enclosure of any kind, such letter must be taken out and dealt with as an unpaid letter, the address on the packet being written thereon if there be no other address; and if in any other respect either of the above conditions be violated, or if for any reason the Postmaster does not think that the Packet comes within the privilege of the Book Post, he must put it into the bag for London if in England, for Edinburgh if in Scotland, and for Dublin if in Ireland, in order that the case may be dealt with at a Metropolitan Office. To prevent obstacles to the regular transmission of letters, any Officer of the Post Office may, when necessary, delay forwarding a Book Packet for a period not exceeding twenty-four hours beyond the time it would otherwise be forwarded.

FOREIGN BOOK POST.

Printed Books, Magazines, Reviews, and Pamphlets (whether British, Colonial, or Foreign) may be transmitted by the Post between the United Kingdom and British West Indies, Bermuda, Newfoundland, Canada, (Gibraltar, Malta, the Ionian Islands, Ceylon, and Hong Kong, via. Southampton) and Cape Town, at the following reduced rates of postage, viz.,—for each packet not exceeding a half pound in weight, 6d.; exceeding half pound and not exceeding one pound, 1s.; exceeding one pound and not exceeding two pounds, 2s.; exceeding two

pounds and not exceeding three pounds, 3s., and so on, increasing one shilling for every pound or fraction of a pound. Provided, however, that the following conditions be carefully observed. 1st.—Every such packet must be sent without a cover, or in a cover open at the ends or sides. 2d.—It must contain a single volume only (whether Printed Book, Magazine, Review, or Pamphlet) the several sheets or parts thereof, when there are more than one, being sewed or bound together. 3d.—It must not exceed two feet in length, breadth, width or depth. 4th.—It must have no writing or marks upon the cover or its contents, except the name and address of the person to whom it may be sent. 5th.—The postage must be prepaid in full, by affixing outside the packet or its cover, the proper number of stamps.

The same powers are reserved to Postmasters, in this, as in Inland Book Postage.

PERIODICAL WORKS.

Periodical Works, Printed Pamphlets, &c., not of daily publication may be forwarded by post to the United States, Oldenburgh, Luebec, Bremen, Belgium, Holland, and France, at the following reduced rates of postage, viz., not exceeding 2 oz., 1d.; 2 oz., and not exceeding 3 oz., 6d.; 3 oz., and not exceeding 4 oz., 8d., and so on; 2d. for every additional oz., up to 16 oz., in the case of Periodical Works, and 8 oz. for Pamphlets, the privilege being restricted to these weights respectively, provided the following conditions be carefully observed: 1st.—The postage must be prepaid. 2d.—They must be sent without covers, or in covers open at the ends or sides. 3d.—They must be printed in the English language.

The following Instructions have been addressed to all Postmasters, and are strictly acted upon:—

“GENERAL POST OFFICE.—On and after the 1st January, 1845, should any Letter or Packet be tendered at your Office, which you may ascertain to contain, or which you have reason to believe, contains any of the following articles, viz;—Any Glass or Glass Bottle; any Razor, Scissors, Knife, Fork, or other Sharp or Pointed Instrument; any Leeches, Game, Fish, Flesh, Fruit, Vegetables, or other perishable substance; any Bladder or other Vessel containing Liquid; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious either to the Officers of the Post Office, or to the contents of the Mail Bags; you will refuse to receive such Letter or Packet.

“In the event of any Letter or Packet being taken in by you, and you do not, until afterwards, discover that it contains any Article as above described, or should any such Letter or Packet be deposited in the Letter Box, you will not forward it on its destination, but you will detain it in your Office, and inform me by the first Post, of the circumstances, stating the precise Address of the Letter or Packet, and its contents, or what you suppose them to be, when proper steps will be taken in this Department in the case, and you will be instructed in what manner to dispose of the Letter or Packet.

“Should any Letter or Packet, containing any article as before-mentioned, not be discovered by the Postmaster at whose office it may be posted, but be forwarded on to its destination, the Receiving Postmaster, to whose town it may be addressed, upon discovering, or having every reason to believe, that its contents are such as those alluded to, will not send it out for delivery, but will detain it in his office, reporting the circumstance by the first Post, and stating the nature of its contents, when he will be duly instructed in what manner to dispose of it.”

NEWSPAPERS & SUPPLEMENTS TO NEWSPAPERS.

All Newspapers must be sent in covers, open at the sides, and no words or communication may be printed or written on such papers, or covers, after the same shall have been published, other than the name and address of the person to whom they are sent; nor anything enclosed or concealed in either newspaper or cover. News-venders *only* may *print* their names and addresses thereon; Newspapers may be examined by the Officers of the Post Office; and if there be any breach of the above regulations, the packet is chargeable with Treble the amount of Postage to which a letter of the same weight would have been liable. Any person contravening the law, may, at the option of the Postmaster-General, be prosecuted as for a misdemeanour.

Clause of the Act of 1st Victoria, cap. 34, sec. 32.

“And be it further enacted, that in all cases in which a question shall arise, whether a printed paper is entitled to the privileges of a Newspaper, or other publication, hereby privileged, so far as respects the transmission thereof by the Post, under the Post Office Acts, the question shall be referred to the determination of the Postmaster-General, whose decision, with the concurrence of the Lords of the Treasury, shall be final.”

MARKS OR WRITING ON NEWSPAPERS.

Writing or Marks are allowed on a *Newspaper* passing by Post between *any one part of the United Kingdom and any other part*, provided that a postage of one penny be paid, by means of a stamp conspicuously fixed outside the cover or folded Newspaper. But the privilege is confined to writing or marks on the *Newspaper itself*, and is not to extend to the cover. Any writing or marks other than the address, on which, or (if the Postage be not prepaid as above) on the Newspaper itself, will subject the Newspaper to the same rate of Postage as that to which an unpaid letter of the same weight is liable.

Newspapers posted in Town, addressed to any part within the town delivery, charged, paid or unpaid, 1d.

Newspapers printed or published in any of the Channel Islands, or in the Isle of Man, and sent by the Post between any of such Islands and Great Britain or Ireland, will be liable to the full letter rates of Postage, according to the scale for charging Inland Letters, with the exception of such as are printed in the *French language*.

NEWSPAPERS FROM THE BRITISH COLONIES

are delivered free of Postage at any place within the British dominions. Those for persons who have removed, may be forwarded by post, free of charge, provided they have not been opened at the place to which they were originally addressed.

THE BRITISH COLONIES AND FOREIGN PARTS.

Newspapers liable to the Stamp Duty may be forwarded to the British Colonies and Possessions by her Majesty's packet-boats, free of the duty of postage, provided the same be duly stamped, made up open at the ends, and put into any Post Office *within seven days* after the day of publication.

Newspapers may also be forwarded to the Colonies, by private ships, for a postage of One Penny each, and to Foreign Countries for a Postage of Twopence each, to be paid when posted, *under the same regulations as to date, &c.*

NEWSPAPERS FROM ABROAD.

Newspapers arriving from British Colonies or “Foreign Parts,” to which they are despatched free, are delivered free of postage. From places abroad, to which

they are *not* despatched free, they are charged, on delivery, *Twopence* each; excepting those brought by the closed mail through France, which are charged *Threepence*, or *Fivepence* each. *All Newspapers must be printed in the language of the country from which they are sent.*

PRINTED PRICES CURRENT, having obtained the sanction of the Lords of the Treasury, pass through the Post Office to the *Colonies* and *Foreign Parts* at one penny each, provided they contain simply the names and prices of articles; the names and addresses of the parties dealing in such articles must be excluded. Each copy to be made up in the same form as a Newspaper, with covers open at the end.

The title of the publication must be written, or printed, immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of postage.

Every Price Current to be posted within *seven* days after each publication; and no one can be forwarded a *second* time without being charged with full letter postage.

All other PRICES CURRENT, and COMMERCIAL LISTS, published in the United Kingdom, *if duly stamped, and under the weight of two ounces*, will be treated as Newspapers, and enjoy the Newspaper privileges; *the sanction of the Postmaster-General having been previously obtained.*

PRINTED PRICES CURRENT, AND COMMERCIAL LISTS, from the British Colonies, France, Belgium, and Holland, are now admitted into the United Kingdom at the reduced rate of 1d. each, whether conveyed by Packet or by Private Ship.

PRINTED PRICES CURRENT, AND COMMERCIAL LISTS, from any foreign country, except France, Belgium, Holland, Prussia, and China, are admitted into the United Kingdom at the reduced rate of 2d. each.

PRICES CURRENT, AND COMMERCIAL LISTS, from the British Colonies, *passing through* the United Kingdom, are liable to a postage of *Twopence* each, to be paid at the time of being posted.

PRICES CURRENT, AND COMMERCIAL LISTS, from the British Colonies, *passing through* France, Belgium, or Holland, to the United Kingdom, are liable to a Postage of 2d. each.

PRINTED PRICES CURRENT, AND COMMERCIAL LISTS, to China, *via* Southampton, 2d. each; *via* Marseilles, 3d. each. From China, *via* Southampton, 3d. each; *via* Marseilles, 5d. each.

REGISTRATION.

Letters, whether containing Coin, or not, can be registered, on payment of a fee of 6d., *in addition to the Rates of Postage*, Inland, Colonial, or Foreign. On those for delivery in France, the charges, besides the Registration fee, will be the English rate to France, in addition to double the French rate. A printed acknowledgment will be given to any person registering a letter. Registered Letters will be taken at the *Bar Window* and the *Receiving Houses* within *half an hour* of the closing of the *Box for the particular Mail* by which they are to be despatched. Letters for Registration, addressed to places *within the United Kingdom*, must be paid by affixing a sufficient number of Stamps; when addressed to *parts abroad* they may be paid either in money or by means of Postage Stamps.

In case of Foreign, Colonial, or Ship Letters, it must be clearly understood that Registration can only extend to the port of shipment. Letters, however, addressed to France, and Letters passing through France, are exceptions to this rule, the French Post Office undertaking to provide for their security till they shall have been delivered, *if addressed to France*, and as long as they remain in the French territory, *if passing through France.*

The arrangements for carrying out the system of registration have been made

with the view of ensuring the safe delivery of Registered Letters. On their delivery, the parties to whom they may have been addressed will be required to acknowledge, in writing, their receipt. *Parties transmitting Bank Notes, Bank Post Bills Drafts Jewellery, &c., should invariably secure their transmission by Registration*; and persons having occasion to send by Post *small sums*, are recommended to make use of

THE MONEY ORDER OFFICE,

which is open every week-day, (fast days excepted,) from 9 a.m. till 6 p.m. The charge for such Orders is 3d. on sums not exceeding *two pounds*, and 6d. on sums between *two and five pounds*. No order will be given for sums beyond this amount; but if the sum to be transmitted exceeds *five pounds*, as many orders may be taken out as will make up the sum to be sent.

In cases where the personal attendance of the party to whom an order is payable is inconvenient, if the order is received (his or her name written in full), and the person presenting the order be able to give full information as to the Christian name, surname, address, and occupation of the person who transmitted the money, payment will be made, but not unless these conditions are complied with. Orders will not be granted in favour of any person, unless the Christian name of such person can be given by the party obtaining the order. Orders cannot now be granted in favour of the "Secretary" of any Society, the "Publisher" of a paper, &c. In cases of Firms the initials only are required.

A Money Order must be presented for payment before the end of the Second Calendar Month after that in which it was issued, (for instance, if issued in January, it must be presented before the end of March,) otherwise a new order will be necessary, for which a second commission must be paid; and if it be not presented for payment before the end of the Twelfth Calendar Month after which it was issued, the money will not be paid at all.

After an Order has been once paid, by whomsoever presented, the Office will not be liable to any further claim.

A TABLE

Showing the distances from London of the most important commercial cities in the world, and some of the chief geographical positions on the globe, on the usual routes by sea, in nautic or geographic miles, with the bearings from London of those places, and the latitude and longitude from the meridian of Greenwich.

NOTE.—The distances in English statute miles are obtained by adding 3 to every 20, or 15 to every 100 nautic miles. The mean length of a degree of the meridian in England is rather more, but the general mean is rather less, than 69 statute miles.

THIS Company, formerly designed "THE ABERDEEN FIRE AND LIFE ASSURANCE COMPANY," has been recently incorporated by Act of Parliament under the above title, as more truly descriptive than the former local one, and better adapted for the extension of business in England, and elsewhere out of Scotland.

The LIFE ASSURANCE Department embraces two schemes—the one, for Assurances of *Fixed Sums* on the most moderate terms that could properly be adopted—the other, for Assurances with a right to share in Profits, at somewhat higher rates of premium. The Participation Scheme was begun in 1840, and has been attended with eminent success. The first Investigation was made as at 10th February, 1847, and reported on in the month of June of that year. The Profits, then ascertained to have been realised, enabled the Directors to declare vested Bonuses on all Policies entitled to participate, varying from 15 to 65 per cent. on the Premiums received, together with contingent Prospective Bonuses on such of them as should become claims by death before the second Investigation as at 10th February, 1852, which is now nearly completed. Policies in connection with this Scheme are generally preferred for Family provisions, for which they are admirably adapted.

ANNUITIES are sold on favourable terms.

Prospectuses, with every additional information, and forms of Proposal, will be given on application at the Head Office in Aberdeen, or any of the Agencies of the Company in Great Britain and Ireland.

LIFE ASSURANCE.

THE AMOUNT OF ANNUAL EXPENDITURE, required by most Offices for a Life Assurance deters many from adopting that mode of providing for those dependent on them. They would more readily make such a provision, could it be shown that an Assurance may be effected on such a system as to require *after a few years*—when, in all probability, their other expenses will be increased—the payment of a comparatively small sum, scarcely more than *one-half* of the amount usually necessary.

THE LIFE ASSOCIATION OF SCOTLAND,

(Founded 1839, and Incorporated by Royal Charter),

Secures this desirable result by the mode in which its *Surplus Funds* are divided.

ON THE 5TH APRIL, *in every year*, the precise state of the affairs is ascertained by a detailed valuation. The divisible Surplus is then apportioned to all Policy-holders of five years' standing, and the share of each is handed to him *in cash* when he pays his current year's Premium. By this system the Assured enjoy *during their own lives* the Surplus or Profits, and the Premiums are reduced to a comparatively small amount.

EXAMPLES OF THE PREMIUMS, PAYABLE IN THE PRESENT YEAR BY POLICY-HOLDERS OF FIVE YEARS' STANDING.

| Age at Entry. | Policies of £100. | Policies of £500. | Policies of £1000. | Policies of £5000. |
|---------------|-------------------|-------------------|--------------------|--------------------|
| 20 | £1 4 0 | £6 0 0 | £12 0 0 | £60 0 0 |
| 30 | 1 11 7 | 7 17 11 | 15 15 10 | 78 19 2 |
| 40 | 2 2 4 | 10 11 8 | 21 3 4 | 105 16 8 |

During last year (the 11th of the Society), 730 New Policies were issued for Life Assurances, amounting to £249,000.

ON 5th APRIL NEXT,

The Books will be closed for the 13th Annual Balance and the 7th Division of the Surplus Fund. All Persons joining the Society before that date will participate in the Surplus ONE YEAR EARLIER than later Entrants.

* EXAMPLE.—At the commencement of the year 1841, a person took out a Policy for £1000, the Annual Payment for which is £24 1s. 8d.; in 1847 he had paid in Premiums £168 11s. 8d.; but the profits being 2½ per cent. per annum on the sum insured (which is £22 10s. per annum for each £1000), he had £157 10s. added to the Policy, almost as much as the Premiums paid.

Premiums may be paid Quarterly, Half-yearly, or Annually, as may best suit the convenience of the Assured.

When an Insurance is for Life, half the Annual Premium may remain unpaid for five years at interest, to be deducted eventually from the Policy, or be paid off at convenience.

Parties desirous to participate in the next Division of Profits, should make immediate application to the undersigned, from whom, Tables of Premiums, Forms of Proposals, and every information may be obtained.
